Module 1

Personal Information

Present By :-

ISHA TARPADA

Brifly itntroduce yourself : name , educational background and current status

Hello , Good Morning Sir

- My name is Isha Tarpada. i am from Rajkot.
- I recently graduated with a degree in Bachelor Of Engineering from Government Engineering Collage Rajkot
- I am broadening my skills through an internship at Inbox Technology, where i am creating the project "Online Course Registration System" in PHP Technology.

Mention key Personality traits , such as your creativity , analytical skills or passion for problem solving .
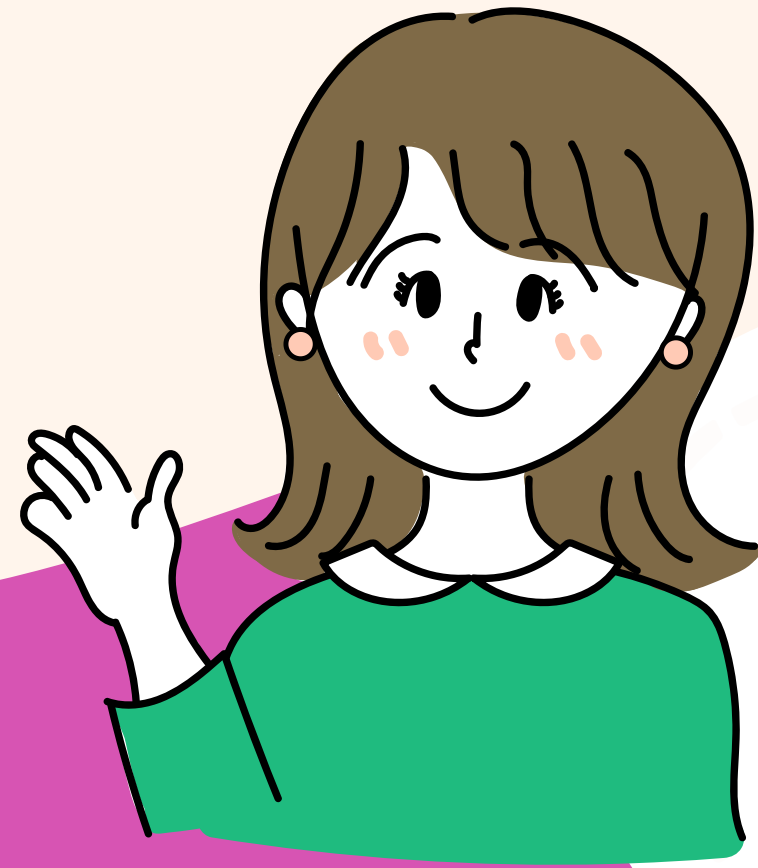

- I have research skills that help me solve problems .
- I also have analytical skills that help me analyze problems and find appropriate solutions.
- Additionally, I have team-building skills; I can manage a team as a team leader and sometimes work as a team member.
- I also have conscientiousness skills.

Explain your interest in technology and why you chose this carrer path ?

- I am interested in the IT field because I am curious to know and learn new technology.
- I do not like to do the same kind of work all the time, and in the IT field, I can do different types of work and gain various experiences.
- This is why I chose this career path.
